WELCOME TO SEYA CAPITAL

Empowering people. Strengthening institutions. *Transforming outcomes.*

Seya Capital is a leading financial services, international development, institutional capacity development and business incubation firm committed to advancing professional excellence and organisational transformation across Africa and beyond.

Through a multidisciplinary approach that combines technical expertise, practical experience and global best practices, we support institutions and professionals in strengthening capabilities, improving performance and driving sustainable growth.

Our Executive Education Division delivers world-class training programmes designed to address the evolving needs of financial institutions, corporates, public sector organisations, development agencies and emerging enterprises, across banking, finance, accounting, risk management, governance, strategy, technology, digital transformation, leadership, compliance and organisational development.

Recognising that institutional success depends on the quality of its people, our programmes equip executives, managers, board members, technical specialists and emerging leaders with the knowledge, skills and strategic insight required to navigate increasingly complex business and regulatory environments. Our courses combine academic rigour with practical application, enabling participants to translate learning into measurable organisational impact.

This catalogue presents our portfolio of executive courses, masterclasses, certification programmes, workshops and customised learning solutions. 358 courses carry published 2027 dates; a further 66 are available on request or in-house. Full course outlines are available at www.seyacapital.com.
